NORTHWEST BIOLOGY INSTRUCTORS' ORGANIZATION

SAVE THE DATE FOR OUR 2024 ANNUAL CONFERENCE

Northwest Biology Instructors' Organization would like to invite you to our 2024 annual conference. This year's meeting will include Friday night dinner with a pedagogical guest speaker. Saturday morning will have breakfast and several presentation sessions. Saturday lunch will be followed by everyone's favorite- field trips! We will then return for hors d'oeuvres, followed by dinner with another keynote address. Sunday will start with breakfast and end with some presentations and breakout roundtables.

WHEN

May 3rd-5th, 2024

WHERE

Whatcom Community College located in Bellingham, WA.

WHO

All are welcome! This conference is focused on biology education and will best serve faculty and laboratory support staff from higher education institution HOSTED BY WHATCOM COMMUNITY COLLEGE

NWBIO.NET

ABOUT NWBIO

NWBIO (Northwest Biology Instructor's Organization) began in 1966 as a way to facilitate dialogue between faculty of Washington State community colleges, universities, and private four-year colleges, on pedagogical and scientific problems in the field of biology. Originally called WACBT (Washington Association of College Biology Teachers), NWBIO now includes additional faculty and support staff from British Columbia, Oregon, and Northern Idaho.

HOW TO REGISTER:

Registration will open March 2024, you can register online at nwbio.net

Abstract Submission

Abstract submission will open in March 2024, you can submit your application at nwbio.net
